

HOGSHEAD OF WINE SEIZED ON A TRUCK

Fifty-Three Cases of Vermouth Also Found by Policeman Kastner.

A hogshead of sherry wine and fifty-three cases of vermouth—at least that is what the police called them—were found to-day on a motor truck, which was stopped at Broadway and 51st Street by Patrolman Kastner of the West 47th Street Station.

He stopped the truck out of curiosity and was amply rewarded. The liquids and the two men on the truck—Fredrick Bricks of No. 314 Madison Street and Paul Bignardi of No. 40 Madison Street—were taken to the station and later the case was referred to U. S. Commissioner Hitchcock. The men refused to say anything about their truckload. They shrugged their shoulders and let it go at that.

NO POLICE CHRISTMAS TREES

Celebrations for Children to Be Abandoned.

There will be no Christmas celebrations for the poor children of the city at any of the precinct police stations in the city this year it became known at headquarters to-day. No reason was given for the abandonment of the annual Christmas party inaugurated by former Police Commissioner Woods in 1914.

Acting Commissioner Leach said he

knew nothing about it. Commissioner Enright is out of the city. It was recalled that the few celebrations given last year were optional with the precinct commanders.
